

# VVH YING

**Inside home environmental stresses, geopathic or environmental in nature can be absorbed by Ying VVH.**

**Place Ying VVH on table and insert the other end of the grounding cabin wire with an anchor fastner which needs to be hammered into the wall, It will provide earthing vibrations.**

**YING VVH when installed in an apartment or office on higher floors would bring in the essential earth energies up and would provide necessary missing earth. It works on the theory of implosion and is the most effective device for home cleansing.**
